MEMORANDUM OF OPINION

The magistrate judge filed a report and recommendation on September 11, 2000, recommending that the defendants' motion for summary judgment be granted and that this cause be dismissed with prejudice. Plaintiff filed objections on September 22, 2000.¹

Having carefully reviewed and considered *de novo* all the materials in the court file, including the report and recommendation and the objections filed by the plaintiff, the Court is of the opinion that the magistrate judge's report is due to be and is hereby ADOPTED and his recommendation is ACCEPTED. The Court EXPRESSLY FINDS that there are no genuine issues of material fact and that the defendants are entitled to judgment as a matter of law. Accordingly,

¹In his objections, plaintiff attempts to set forth additional facts regarding his claim. However, the objections are neither sworn nor made under penalty of perjury and any factual assertions contained therein cannot be considered by the Court.

defendants' motion for summary judgment is due to be GRANTED and this action is due to be DISMISSED WITH PREJUDICE. A Final Judgment will be entered.

DONE this the 27th day of September, 2000.
